1 AREAS OF EXPERTISE

1.1 [Fingerprints](#)

1.1.1 Including: [Fingerprint analysis](#), [Fingerprint evidence](#), [Fingerprint identification](#), [Fingerprinting](#).

2 SUMMARY

2.1 With over 34 years' experience in the field of fingerprint identification David Goodwin is an internationally recognised fingerprint expert and leading crime scene examiner.

2.2 David started his career with the Metropolitan Police force at New Scotland Yard before taking up his position as Head of Fingerprint Services for Northamptonshire Police. David managed the fingerprint bureau and associated chemical development laboratory for 19 years and whilst employed by both Northamptonshire and Metropolitan Police was registered with the Home Office as a Fingerprint Expert (registration number 568). During his tenure David managed three separate installations and implementations of AFIS and Livescan systems.

2.3 For the past four years David has been Forensic Equity's senior fingerprint expert, undertaking and delivering a range of casework, scientific projects and training.

3 EXPERIENCE

- 3.1 Leading fingerprint expert with over 34 years' experience in the field of identification of persons by their ridge detail.
- 3.2 Internationally recognised and respected expert in all aspects of fingerprints, fingerprint analysis and related evidence.
- 3.3 Highly skilled and qualified in the use of fingerprint development techniques.
- 3.4 Senior court reporting expert having prepared and presented fingerprint evidence in courts of all types as an expert witness.
- 3.5 Qualified and highly experienced scenes of crime examiner and forensic investigator.
- 3.6 Vastly experienced and highly skilled major crime scene manager.
- 3.7 Has attended numerous crime scenes ranging from theft of motor vehicle to numerous scenes of a more serious nature including murder, in order to retrieve latent fingerprints and evidence of forensic interest.
- 3.8 A highly respected authority in the provision of an independent view on fingerprint evidence.
- 3.9 Has reviewed a number of appeals against fingerprint evidence dating back many years, both for the International Criminal Court (The Hague) and for the Criminal Cases Review Commission in the UK.
- 3.10 Experienced in attending mortuaries to fingerprint cadavers.
- 3.11 FERRT (Forensic Evidence Recovery and Retrieval Techniques) trained.
- 3.12 Experienced and qualified trainer in all aspects of fingerprints and related science.
